Death and Incarnation

- TI 02 The last Stage of Earth Life
TI 07 Hour of Death
TI 09 Moment of Death
TI 11 Soul Rising at Dawn

Hard was the way through the streams of time
unto the dark portal of death.
Hard was the soul's struggle to free herself
from the earthly body
And black fear crushed her.
But peace enfolded her protectively
In wide spread wings.
Then the light of the spirit world shone forth,
And the souls of friends welcomed me.
Gravely stands the shimmering guardian,
And the soul has trust in what is to come.
