Dear friends and acquaintances,

The main points of the longer German version of our Newsletter are:

AnneGret has been able to refine the statutes of the Trust in accordance with her will and the intentions of Gerhard Reisch.

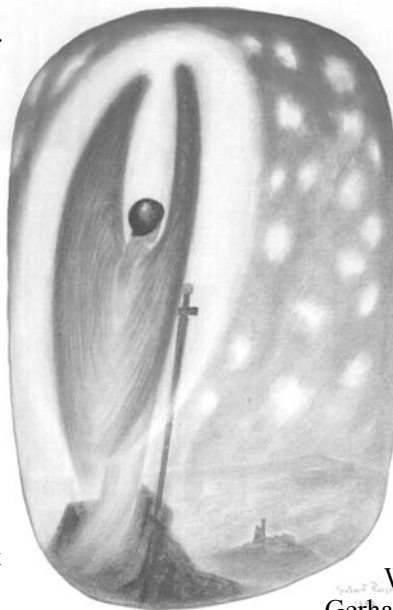

The archiving has been clarified and refined. We need to raise DM 15.000 (ca. £ 3,000) in order to frame some 40 more paintings which we cannot show easily because they are unprotected.

There has been a steady flow of visitors during regular events and private visits in 2000. There are friends of the life-work of Gerhard Reisch in at least 17 countries: Australia, Austria, Brasil, Canada, Demark, France, Great Britain, Iceland, Italy, New Zealand, Netherlands, Norway, Poland, Russia, Sweden, Switzerland und USA.

Approximately 250 persons received the 2000 Newsletter world wide. Invitations for the Seminars and Open Days go to a similar number regionally at least three times a year.

The Calendar of events during 2001 is published. We are trying to broaden access to the life work of Gerhard Reisch by inviting more individuals to demonstrate their unique ways of working with his pictures and words.

We point out that it is **not** AnneGret, Elaine and Christopher who carry this work alone; rather it is carried by all those who feel a connection with it and commune with in their own way.

AnneGret Reisch's Seminar with the theme
**"The elemental spirits hear it ..." the artist's seeing;
"May human beings hear it ..." deepening the Work.**

will take place on 7th and 8th of April.

The Trust had to borrow DM 25,000 (c. £ 8000) to bring the stock of published works back into its own jurisdiction. We are hoping to raise gifts to clear this debt as soon as possible.

We want to publish five new volumes called **"Words for Living"** ("Lebensworte") in German and English, taken from the texts of Gerhard Reisch. The themes are **"Meditation and Prayer"**, **"Star-Earth - Earth-Star"**, **"A Wanderer"**, **"Living and Dying"**, **"Healing and Transformation"**.

We are asking for commitments to an advance subscription of around DM 100 (ca. £ 33) for all five volumes and/or larger gifts in order to secure this publication; whose estimated cost is around DM 35,000 (ca. £ 11,000).

It has now become clear that the trust is unlikely to finance further reproduction of the paintings and publication of texts in a reasonable time-frame by selling the currently published works. These goals will only be achieved by the will of the community of friends gifting the trust for these purposes.

We have adjusted all the retail prices of the Gerhard Reisch Publications. Most particularly that of the "Portfolio" ("Mappe"), which has been reduced substantially from DM 300 (ca. £95) to DM 125 (ca. £ 40). We hope thereby to make this precious collection of 35 fine art reproductions with accompanying texts in German and English on the theme of "A Path of Knowledge of Higher Worlds" available to many more people than have been able to afford it until now!

Next year we hope to be able to also offer you a complete English language version of our newsletter .

With warm greetings
